Release of Information:
KFMT is authorized to release all medical information needed to process applications for financial coverage for services rendered during the visits of the patient named below.

This information may be released to third party payors and others assisting KFMT in obtaining payment including billing, coding and collection agents and to its attorneys and consultants or to any employer as necessary to secure payment.

I/we further authorize KFMT to release medical records/information to the patient's primary care, referring physician, or other physicians and practitioners involved in my care.

Insurance & Reimbursement:
I understand that KFMT is an out-of-network practice requiring up-front payment and does not accept insurance at this time, nor does it submit or process claims with my insurance carrier. If requested,KFMT will, however, provide me with an itemized statement (a "superbill") that I may submit to my insurance company for reimbursement of the services it may cover. I understand that KFMT can not guarantee reimbursement for these services from insurance.

Guarantee of Payment/Financial Responsibility:
I understand that I am fully responsible for the balance due, based upon KFMT's charges which I agree are fair and reasonable.

I/we understand that any balance, is my/our responsibility. I/we agree to pay the balance within 30 days of receipt of invoice or contact Kinected to arrange a payment plan. Failure to respond as outlined above will result in the account being turned over to a collection agency. All balances in excess of 90 days are subject to a monthly finance charge of 1.5%.

I/we understand that if I/we am/are unable to attend a scheduled appointment, I am required to call to cancel the appointment 24 hours prior to said appointment; otherwise a $60.00 fee will be incurred which is not reimbursable by insurance. If my scheduled appointment is cancelled less than 4 hours prior to treatment or I do not show up, I understand I will be charged a full fee for the cost of the treatment session.

HIPAA Acknowledgement:
I/we hereby acknowledge that I/we have been offered a copy of the Notice of Privacy Practices as required by HIPAA. In addition, I have been offered the KFMT Patient Rights and Responsibilities for review. These forms are also available on the KFMT website at www.kinectedfmt.com at any time in the future should you not want a paper copy.

Direct Access:
I/we understand that, in New York state, patients are able to be evaluated and treated by a licensed physical therapist without a physician's referral, called Direct Access. ***I/we understand that some insurance plans may still require me to consult with a physician first and acquire a prescription for Physical Therapy, in order to be reimbursed for services, and that it is the patient's responsibility to find this out prior to initiating treatment***. I/we understand that Direct Access treatment can be rendered by a Licensed physical therapist for **10 visits** or **30 days**, whichever comes first; after one of these requirements has been reached, a physician's referral is necessary to continue treatment.
